

BULBS for LONDON 2017

THE METROPOLITAN PUBLIC GARDENS ASSOCIATION in association with TAYLORS BULBS OF SPALDING

The prestigious Lincolnshire family firm Taylors Bulbs, in partnership with the MPGA, are once again offering totally free of charge a number of high quality bulbs to amenity groups across the 33 London Boroughs.

Over the last six years the MPGA and Taylors have distributed spring bulbs to over 600 organisations throughout the Capital, including schools, public gardens, hospices, churchyards and community gardens. These bulbs made a tremendous impact and brightened the daily lives of countless people (see pictures below). The MPGA is delighted to be associated once again with this very generous offer from Taylors.
